Due to the uncertainty with the COVID-19 pandemic, the VaSAM Board of Directors have voted to hold the 2020 annual meeting virtually.

We are excited to use the platform, *Whova*, this year with a dedicated Exhibitor tab. Each exhibitor will have the ability to design their own profile and be available for Q&A from attendees.

Key features of Exhibitor's Hall:

- Easy access via mobile app or computer
- Share photos, articles, and brochures
- Built in business card scanning
- Identify leads with attendees SmartProfiles

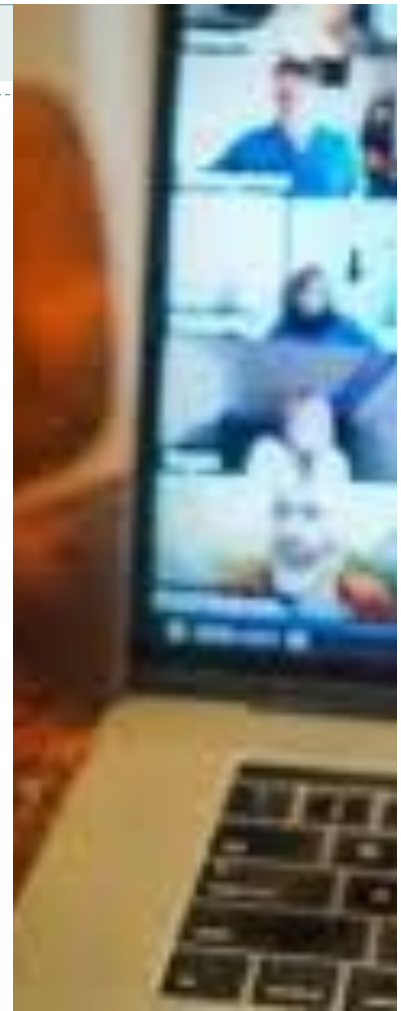

Exhibit fee: \$500

Registration is required. You will be provided a link to the platform to easily establish your profile and design.
